# ACTION!

---

Do you think videos are too expensive  
to be produced daily?

After 2 years of R&D, we have developed the  
360Box, which allows you to produce professional  
videos for as low as 10€  
per recording.

The 360Box concentrates the best video  
technology as well as ensures a minimum amount  
of complexity. You simply need  
to press a few buttons to create live videos like a  
pro.

And if you want to create a custom video project  
- animation, event coverage, corporate video -  
feel free to contact me.

Best regards,

Patrick
